

Priorities 2021

ClubGRANTS funding is open to not-for-profit incorporated associations or groups auspiced by a not-for-profit incorporated organisation. ClubGRANTS does not support private enterprise.

The Campbelltown ClubGrant target group is projects delivered within the Campbelltown LGA - however - it does consider projects from the Camden LGA. Successful projects will help improve the general wellbeing of the local community and will generally fall under the following priorities:

Community Welfare and Social Services	CALD & Aboriginal Community Diversity Aboriginal Families Children aged 0-3
Community Development	Place based community enhancement projects
Employment Assistance Activities	Pathways for young people –employment, cultural diversity, education
Community Health Services	Childhood Obesity
Projects improving the living standards of the low income and disadvantaged people	Young Parents – under 20 Single Parents
Domestic Violence	Homelessness
Smaller groups with limited access to alternative sources of funding	
Projects \$5000 and under	

NOTE: Successful applicants will only have one project funded regardless of the number of applications submitted - please prioritize your applications carefully
