

VISION

***‘The whole community
working together for social,
cultural and economic
wellbeing ‘***

**Sector Connect provides effective
support to the community service sector**

Sector Connect will:

- ensure the community service sector is well informed
- build sector capacity
- show leadership in targeted early intervention reforms
- be a voice for the community of South West Sydney

**Sector Connect is a progressive and
innovative leader in best practice**

***Sector Connect will lead by example
through:***

- the implementation of best practice models
- continuous quality improvement

**Sector Connect is a sustainable and
financially viable service**

Sector Connect will:

- investigate and pursue funding opportunities
- create opportunities that bring in new revenue streams in line with our vision
